Title: Assistant Librarian

Email: panafo@umat.edu.gh

Alternate Email: peter.anafo@yahoo.com

Website: <http://library.umat.edu.gh>

Region Preferred: Europe, Africa, Asia and the Americas. The reason being that, we want to open our doors wide, since academic institutions which are specialized in the mining and its related area seemed to be few.

Reason for wanting a Sister Library Relationship: Gain access to new professional skills, Collaborate on a new program or service, Share my library's professional experience and expertise with another library institution

Preferred Projects: Library staff training, Technical services, Reference services, Collection development, Technology access programs or services

Notes: The mission of the university are: provide higher education with special reference to mining and related fields; promote knowledge through research; and promote professional services to the National and International Communities. One of the units to help the University achieve its objectives is the University Library Unit. The Library's mission, therefore, is to support the academic activities of the university, namely, teaching, learning and research
