**Notes:** The Library Services is the basic unit of the Institute of Adult Education (IAE) which facilitates effective teaching, learning, and research through its resources available in both print and non-print formats. The IAE main library can be easily accessed by the IAE students, researchers, academic and administrative staff located within the building of the Institute (Headquarter). We also have provisional of library services in up country regional offices (Campuses): Morogoro (WAMO Libray) and Mwanza (Luchelele Library) 1.2 Vision of the IAE Library: To become an information center of excellence that maintains and sustains a learned and informed society. 1.3

Mission of the IAE Library: To enable people and the IAE community to acquire knowledge, skills and attitudes required for sustainable development. 1.4 Objectives of the Library: Once managed to obtain a sister library, we will be in a position to ensure maximum implementation of the following goals/objectives of the Institute of Adult Education Library: (a) To promote creative and critical thinking through information literacy. (b) To empower users to locate, evaluate and use information available in a variety of innovative and traditional formats. (c) To facilitate quality teaching and learning process. (d) To provide reliable information rapid access, retrieval and transfer or dissemination of information and. (e) To provide information for continuous and lifelong learning culture through providing facilities and learning atmosphere, guidance in location, selection and use of materials.
