English with Reason for wanting a Sister Library relationship: (1) Learn about a particular geographic area; (2) Collaborate on a new program or service; (3) Give my students global awareness;

Preferred Projects: (1) Cultural programs or services; (2) Youth programs or services; (3) Bookmark exchange;

Notes: We are an Elementary School Library of about 815 students from Pre-K to grade 5. We have Media Classes every day for grades K-5. We work on Library and technology skills. We learn about a variety of Literature. We love to Skype. I want to sister up with another Library to share our school and our culture and to learn about your books and your culture. We are located on the west coast of Florida in the US.
