Region/Country Preferred: I would be open to partnering with a school in any country other than the United States. I would like to engage my school library classes in an experience that will help them to see what life in other places is like.

Reason for wanting a Sister Library relationship: (1) Gain access to new professional skills; (2) Learn about a particular geographic area” (3) Collaborate on a new program or service; (4) Share my library's professional experience and expertise with another library institution;

Preferred projects: (1) Technical services; (2) Youth programs or services;
