Country Preferred: Italy, as I am fluent in reading, writing, and speaking Italian.

Preferably the north, as I have many relatives there.

Reason for wanting a Sister Library Relationship: Gain access to new professional skills, Learn about a particular geographic area, Share my library's professional experience and expertise with another library institution

Desired projects: Collection development, Cultural programs or services

Notes: We are a very small but busy library, which lends much material to people. It would be nice to be linked to another library that dedicates resources to the collection as well.
