Everyone likes graphic novels. Some people have trouble reading a book. It requires less intelligence to read. Some people have decided that because they can't read a book, they are less smart. Reading is more than just words. Not only that, the images help us transcend any barriers in our communication of that story. Language, age, or disability don't matter as much. Children. They're just for or that it means. I don't like reading...I have a hard time connecting...Comics are more than just pictures & words. They work together to tell a story. If the author wanted to write a book they would have. I get it! Am I dumb? Banned by shame. Read shame free! All reading is good. There is more than one way to read a book. Stop people from telling people how to read. There is a lot of shame with comics. When it comes to reading a book.
