

PAGE 1

In the last two years, the banned book movement has skyrocketed. Some of the most effected literature are queer authors and books.

PAGE 2

Administrators extrapolate Texas House Bill 600 which removes sexual activity or irrelevant books from the shelves. The problem is - queer representation and sexuality is relevant!

DON'T SAY BANNED

How the banned book movement effects the queer community

written and designed by **Alexis Rockwell**

Stop the censorship on queer voices and, further, other creative's work's. Stop the ban for the education of the future.

PAGE 5

you are not silencing unnecessary sexual content, you are depriving the next generation from support and education
