IFLA Report

IRC welcomed current IFLA President-elect Donna Scheeder and her newly elected successor, Glòria Pérez-Salmerón, President, Federación Española de Sociedades de Archivística, Biblioteconomía, Documentación y Museística (FESABID) in Spain.

Scheeder reported on IFLA's efforts relating to the United Nations Post-2015 Development Agenda. The U.N. released the draft "Transforming Our World by 2030: A New Agenda for Global Action" on June 2. This agenda will be launched at a UN Summit in September 2015. On June 15 IFLA provided its [response](#) to the U.N, with suggestion where insertion language in various sections of the goals should include the importance of 'Access to Information.' The IFLA response is underpinned by the [Lyon Declaration on Access to Information and Development](#), adopted at the IFLA World Library and Information Congress (WLIC) in August 2014, for which ALA is a signatory.

Scheeder will assume the IFLA presidency at the end of the IFLA WLIC in Cape Town 2015. Her presidential theme will be "Libraries: A Call to Action" building on the IFLA [Trends Report](#) identifying trends shaping the information society, spanning access to education, privacy, civic engagement, and transformation.

The [ALA-IRC Africa Subcommittee](#) is partnering with the Library and Information Association of South Africa ([LIASA](#)) and the IFLA Section Libraries for Children and Young Adults, in a call for books to be donated at the IFLA WLIC. LIASA will distribute the donated books to local public library services, schools, and community centers in the Cape Town area.
