Resolution Thanking Congress and the President for Funding Libraries

Whereas, The Museum and Library Services Act (MLSA) funds the Library Services and Technology Act (LSTA); and

Whereas, LSTA has stimulated library innovation in a variety of ways; and

Whereas, The LSTA reauthorization received bipartisan support from Senators on both sides of the aisle; and

Whereas, The MLSA reauthorization was passed by the Senate Health, Education, Labor, and Pensions (HELP) Committee, the full Senate, and the House of Representatives.

Whereas, President Donald Trump threatened to not sign the MLSA into law, he eventually did so on December 22, 2017.

Resolved, The American Library Association would like to thank the Senate leadership, the Senate and House of Representatives, and President Trump for their efforts to sustain the federal role supporting library services, as the cornerstone of our nation's information infrastructure.
