### Minutes 1992 Midwinter Meeting San Antonio

The ACRL English and American Literature Discussion Group met on January 26, 1992. The meeting began at 9:30 and was chaired by Candace Benefiel. Twenty-nine people attended.

#### I. Announcements—

Plans are proceeding for the 1992 annual conference program on popular culture collections in libraries.

The mailing list for Biblio-Notes has been revised. Contact Benefiel if you are not receiving a copy and want to be on the list.

Charlie Fineman reported that WESS is trying to arrange another meeting of librarians, scholars, and specialists in London in 1994.

Marcia Pankake urged EALDG members to attend the June 29th WESS program on film collections in libraries

II. Reports on current Discussion Group activities— Elaine Franco reported on the progress of the MLA Scope and Overlap Project, in which volunteers are exploring the extent of MLAIB's coverage of certain subject areas. This project, the first joint ALA-MLA undertaking, may lead to an on-going committee. Volunteers are still needed; please contact Franco at the University of California, Davis for more information.

William Gargan announced that the 1993 EALDG program will focus on literary scholarship in the year 2000.

Benefiel asked for volunteers to facilitate group discussion at the annual meeting. A possible topic: the SilverPlatter MLA compared to the Wilson product. Another suggestion was collecting popular culture in times of tight budgets.

III. Discussion: William Baker suggested that EALDG pressure such publishers as Gale and Hall to stop producing unreliable secondary bibliographies. Gargan stated that the worst problem is indexing which often gives no title and bad subject access. Benefiel is willing to send a letter to the offending publishers if Baker will draft it. The topic of compiling bibliographies is one that needs to be discussed at a future meeting, perhaps with publishers present.

After a short break, discussion turned to new cd-rom products such as Grangers and the Twayne disks and to on-line resources such as FirstSearch.

The meeting adjourned at 11:25 a.m.

Respectfully submitted,  
Michaelyn Burnette  
Secretary
