Sound check..... I can't hear

12:45:25 From Lauren Stara to Everyone:
For the Project Outcome staff - are there any plans to add PO topics, such as a category for the impact of library facilities and how the building helps or hinders library services?

12:46:12 From Bryndis Rubin to Everyone:
How often do you suggest surveying? For example, if you have a program that occurs monthly, do you survey every month? Quarterly? How much is too much?

12:46:46 From Elizabeth McKay to Everyone:
Yes Bryndis--I was thinking about weekly programming too

12:46:47 From Jennifer Demas to Everyone:
For programs that happen monthly, we survey 1 time a year.

12:51:08 From JENNIFER ODLUM to Everyone:
I think it might be tempting to rest on one's laurels when we see that we are meeting goals. How do you stay motivated/focused to identify new opportunities to expand your work supporting SDGs?

12:52:21 From Yanira Sidon to Everyone:
Can you elaborate a bit more on how surveying took place?

12:56:50 From Colleen Wood to Everyone:
Thank you for these great ideas and information

12:57:47 From Sara Goek to Everyone:
There are lots of case studies in the Project Outcome resources about how other libraries have used the surveys. We don't have any related to the SDGs yet, since this is a new feature, but we'd love to be able to add that if any of you are inspired to go out and start doing this work and would want to share what you do!

12:57:57 From Pilar Martinez to Everyone:
