Employee Assistance Program
Resource Services™

Extra Help When It’s Needed Most

When personal problems arise, many people may choose to cope alone, resulting in negative consequences at home and the workplace. This is why we have teamed with ComPsych® Corporation to offer Resource Services™ to employees covered by our Long-Term Disability (LTD) policy. Resource Services provides convenient resources to help address emotional, legal and financial issues.

Face-to-Face Sessions
Resource Services provides long-term disability insured employees with three face-to-face sessions in a geographically accessible location to address behavioral issues.

Unlimited Telephonic Counseling
Resource Services also provides long-term disability insured employees with unlimited telephonic counseling (24 hours a day, 7 days a week) to help address behavioral issues. Master’s degree level counselors use a conversational approach to identify issues, assess needs and refer participants to specialists to help resolve their issues.
