Notes Regarding Non-Contracting Providers (Out - of network)

- Member out-of-pocket costs may be greater because Non-Contracting Providers have not entered into a contract with BCBSIL to accept any Allowable Amount determination as payment for Eligible Dental Expenses
- Members are required to file claim forms
- Member can be balance-billed for costs exceeding the BCBSIL Allowable Amount

Dental Preventive Coverage

- When members go to their Dental provider for Preventive or Diagnostic Services, they do not have to pay their Deductible & BCBSIL covers the services at 100%
 - Again, if a member goes to a Non-Contracting Provider, they could be balance-billed

Dental Wellness Center

- Similar to when members log onto Blue Access for Members (BAM) and utilize Well on Target, the Dental Wellness Center (also accessed by logging onto BAM) is a place where members can learn about how to maintain their Dental health & well-being

Dental Wellness Center

- Key elements of the Dental Wellness Center
 - Dentist Finder – Create and download your own provider directory. Information for each provider includes language spoken, specialty, locations and directions

 - Ask a Dentist – Submit questions to a licensed dentist and receive a response within one business day
 - Dental Dictionary – Find definitions of dental terms
