X. Confirm Budget

Confirm Budget*

With consideration of the costs to host discussion programs, include details about how you will spend your programming grant to support the activities outlined in your proposal. This Great Stories Club cash grant is intended to support your library's work to build programming around each selected title. Additional eligible expenses include other speaker/presenter fees, collection materials, promotional expenses, and other program support costs (e.g., art supplies, refreshments). The budget should use numbers (estimates are fine) and the total amount of your proposed budget MUST add up to \$500.

Character Limit: 2000
