TOTAL					\$15,000

***Project activities are led by the host library and may be carried out through a combination of staff time, young adult/teen/tween internships, volunteers, community collaborators, and/or guest presenters. Arrangements with external parties must be approved in advance and made through formal written agreement with the required flow-down language. Host libraries are encouraged to include Latino/a staff members and interns, and/or establish formal agreements with Latino-serving organizations and groups to carry out project activities.**
